## Application Process for Non Peruvian Nationals

Items in Group A must be submitted together at the time of application. Items in Group B but must be submitted before the child starts school. Please note that we are unable to process any application until all required documentation has been received. Submission of an application form does not guarantee a place, and year groups can fill up very quickly. We advise submitting complete applications as early as possible.

**Group A – must be submitted at time of application.**

**Step 1: Interview with Admission Officer**

**Step 2: Make an Application**
